Ping He, Ph.D.

Email: gnip@zju.edu.cn Personal Website: https://gnipping.github.io/

Education

2022 – Present **Zhejiang University**, Hangzhou, China.
Doctor in Computer Science and Technology
Supervised by Dr. Shouling Ji, Performing Security and AI Research

2018 – 2022 **Zhejiang University**, Hangzhou, China.
Bachelor in Information Security
GPA: **3.95** / 4.00

Publications

Conferences

1. **P. He**, Y. Xia, X. Zhang, and S. Ji, "Efficient query-based attack against ml-based android malware detection under zero knowledge setting," in *ACM Conference on Computer and Communications Security (ACM CCS)*, 2023.
2. Y. Xia, **P. He**, X. Zhang, P. Liu, S. Ji, and W. Wang, "Static semantics reconstruction for enhancing javascript-webassembly multilingual malware detection," in *European Symposium on Research in Computer Security (ESORICS)*, 2023.

Journals

1. **P. He**, X. Zhang, C. Lin, T. Wang, and S. Ji, "Towards understanding bogus traffic service in online social networks," *Frontiers of Information Technology and Electronic Engineering*, 2023.

Honors and Awards

2022
- **Outstanding Bachelor Thesis** (College of Computer Science and Technology, Zhejiang University)

2021
- China International College Students' 'Internet+' Innovation and Entrepreneurship Competition (**Golden Medal**)
- National College Student Information Security Contest Competition (**Second Prize**)
- Zhejiang University - Xiaomi Scholarship
- Learnings Innovation and Research Scholarship
- **Research Rising Star in Undergraduate Student** (College of Computer Science and Technology, Zhejiang University)

2020
- Provincial Scholarships
- Huawei Elite Student Scholarship

2019
- National Mathematics Competition for College Student (*First Prize*)
- Mathematics Competition for College Student in Zhejiang Region (*First Prize*)
